Time to complete

SECTION 1: ABOUT YOU

Why we're asking:

So we know who to contact for project updates, approvals, and feedback — and how best to communicate with you.

1. **Your Full Name:**

*

e.g. Jamie Larkin

Nav Bahl

2. **Your Role in the Business/Project:** *

e.g. Founder, Product Owner, CTO, Project Manager

Founder

3. **Email Address:** *

For all project communication, reviews, and updates.

nav.bahl@rothian.com

4. **Phone Number (optional):**

For quick calls or urgent approvals.

No answer provided.

5. **Preferred Method of Communication:** *

- ☐ Email
- ☐ Phone
- ☐ Slack
- ☒ Microsoft Teams
- ☐ Other

6. **Best Days/Times to Reach You:** *

e.g. "Weekdays after 11am EST"

Any time

7. **Will anyone else be involved in approving the website design or content?** *

Please list names, roles, and emails if applicable.

Yes, Jes.

SECTION 2: ABOUT YOUR BUSINESS

Why we're asking:

To create a website that accurately represents your brand, speaks to your ideal customer, and meets your business goals, we need to know what your business is all about.

8. **Business or Organization Name:** *

Serene Bay

9. **Website URL (if available):** *

*This helps us align visual style and content. If this does not apply to you, please write **"No"** in response.*

www.serenebay.ae

10. **Brief description of your company or product:**

*

e.g. "We provide mindfulness and wellness services for professionals and want to digitize our client experience."

We sell and lease both commercial and residential real estate in the UAE.

11. Your main product(s) or service(s): *

List what you offer. Include both physical and digital if applicable.

Off-plan real estate in Dubai and Abu Dhabi.

12. Your primary target audience or customer base:

*

Who are they? Age, profession, location, pain points, goals.

HNWI's outside of the UAE - India, China, Russia, Europe, UK, Australia and US

13. What sets you apart from competitors?

*

Your Unique Selling Point (USP), values, story, or niche.

We are AI native, no annoying cold calls, you can ask questions any time and get data, insights and information to support your investment decisions for UAE real estate.

14. What do you want people to feel when they visit your website?

*

e.g. Inspired, confident, reassured, energized, playful, etc.

We are data and insight rich - fully AI enabled and do not hound buyers with unsolicited calls.

SECTION 3: PROJECT OVERVIEW & WEBSITE GOALS

Why we're asking:

.Every website should serve a specific business purpose. This section helps us understand why you're building this website and what success looks like.

15. Why are you creating or redesigning this website? *

e.g. "Our current site feels outdated," "We've rebranded," "We need to sell online," "We want better SEO"

To drive traffic to our AI sales platform - Amelia.

16. **What do you want this new website to achieve? (Pick all that apply):** *

- ☒ Generate leads Mobile App (iOS)
- ☒ Sell products or services
- ☒ Provide information
- ☐ Showcase portfolio or case studies
- ☐ Promote events or webinars
- ☒ Build brand credibility
- ☐ Provide support/resources
- ☐ Other

17. **What actions should visitors take on your site? (Your conversions) ***

e.g. Fill out a form, make a purchase, call you, sign up for a newsletter, download a PDF

Click to engage with Amelia.

18. **Do you have a deadline or launch date in mind? ***

e.g. "Must be live before September 15 to support our fall campaign"

Launch mid-July

19. **Is this a fixed project or will you need ongoing updates and maintenance post-launch? ***

- ☐ One-time build
- ☒ Ongoing support (monthly)
- ☐ Occasional updates only

20. **Do you have a budget or investment range in mind?** *

Helps us recommend the right tech and scope. e.g. "Under \$5k," "\$10–15k," "We're flexible based on value."

No.

SECTION 4: EXISTING WEBSITE (IF APPLICABLE)

Why we're asking:

If you already have a website, it's helpful to know what's working, what's not, and what you'd like to carry over or change.

21. **Do you currently have a website?** *

☐

Yes

☒

No

SECTION 5: AUDIENCE & USER RESEARCH

Why we're asking:

The most effective websites are built around your ideal user — not just what you want to say, but what they want to see.

22. Who is your primary audience or customer type? *

Include age, location, profession, goals, pain points, etc.

HNWIs across India, China, Russia, Europe, UK, Australia and US

23. Do you have multiple customer personas? Please describe them. *

e.g. "One segment is startup founders, the other is marketing managers in mid-sized companies."

Off-plan Investors - owner occupiers also, but they are not our main target.

24. What questions or concerns might your website need to address for visitors? *

How can we trust you - therefore we need to show that we have a RERA license and showcase the developers we are registered with.

25. **What keywords, topics, or content will your audience likely be searching for?** *

UAE, Dubai, Abu Dhabi, Off plan, Real Estate.

26. **How do users currently find your business online?** *

e.g. Search engines, referrals, social media, ads, directories

N/A

SECTION 6: DESIGN , BRANDING & STYLE

Why we're asking:

We want the website to reflect your brand personality visually and tonally — not just “look good,” but feel aligned with who you are.

27. **Do you have existing brand guidelines?** *

Please upload any logo files, fonts, colors, or documentation.

No

28. **Do you already have a logo and branding assets?** *

☐

Yes

☐

No

☒

We need help developing branding

29. **How would you describe the desired look and feel of your website?** *

e.g. Minimal and clean, bold and vibrant, warm and welcoming, high-tech, playful, corporate

N/A

30. **Are there any websites you like (in terms of design, functionality, or layout)? ***

Please include links and what you like about each.

Haven't explored this.

31. **Are there any colors, fonts, or styles you don't want to use? ***

No

32. **Are there any accessibility requirements (e.g. color contrast, font size, keyboard navigation)? ***

No

SECTION 7: FUNCTIONALITY & FEATURES

Why we're asking:

Your site isn't just a digital brochure — it's a tool. Let's explore what it needs to do, not just look like.

33. What types of content/pages will your site need? *

- ☒ Home
- ☒ About
- ☒ Services
- ☒ Blog/Resources
- ☒ FAQs
- ☒ Contact
- ☒ Portfolio/Case Studies
- ☐ Events
- ☒ Careers
- ☐ Shop (eCommerce)

Link to Amelia

34. Do you need any of the following functionality? (Check all that apply): *

Contact form

Booking or appointment system

Live chat

Search functionality

Blog or news section

eCommerce/shopping cart

Payment gateway integration

Events calendar

User logins/membership

Multilingual support

- ☐ File uploads/downloads
- ☐ Integration with CRM (e.g. HubSpot, Salesforce)
- ☐ Email marketing integration (e.g. Mailchimp, Klaviyo)
- ☒ Integration with Amelia

35. **Will you be writing your own content or do you need copywriting support?** *

Need support

36. **Do you have existing photos/videos you'd like to use? Or will you need help sourcing or creating them?** *

No

37. **Do you need help with SEO, Google Analytics setup, or GDPR compliance?** *

Yes

SECTION 8: TECHNICAL & LOGISTICAL REQUIREMENTS

Why we're asking:

Smooth project execution depends on having the right tools, access, and expectations upfront.

38. **Do you have a preferred platform or CMS in mind?** *

e.g. WordPress, Webflow, Shopify, custom, not sure

No

39. **Will your team want to be able to update the site yourselves post-launch?** *

- ☐ Yes, we want full control
- ☐ Some edits, but not everything
- ☒ No, we want ongoing support

40. **Who will manage the website after launch (internally or externally)?** *

external

41. **Do you already have a hosting provider?** *

If yes, please provide name and access info (or we'll follow up securely)

no

42. **Do you want us to manage hosting and maintenance post-launch?** *

☒

Yes

☐

No

☐

Not sure yet

43. **Do you need assistance setting up email accounts or DNS records?** *

Yes

44. **Any specific security or compliance requirements (e.g. SSL, privacy laws, data encryption)?** *

UAE regulation

SECTION 9: FINAL THOUGHTS

Why we're asking:

This is your space to share anything else that matters to your project.

45. **Are there any technical constraints, internal workflows, or third-party systems we should be aware of? ***

No

46. **Are there any key decision-makers, legal stakeholders, or IT policies we need to align with? ***

Jes

47. **Are there any ideas, features, or content types you've seen elsewhere that you'd love to explore? ***

No

48. **What concerns or fears (if any) do you have about this website project?** *

Missing the deadline for launch.

49. **Is there anything else you'd like us to know before we begin?** *

We will be onboarding developers and each developer needs to be show-cased on a blog page. We need to be able to easily add developers i.e., create new blogs.

That's it!

We'll review your answers and reach out to schedule a kickoff session where we'll clarify priorities, confirm timelines, and start designing your roadmap.
